

**SCHOOL  
DEVELOPMENT  
PLAN –  
2018-2019**

To gather the thoughts and ideas to further enhance Tenacres from our parents/carers (October 18) and for Parents/Carers to join the children for lessons such as Numicon (Maths) throughout the year.

Ensure consistent approaches across the school with handwriting, spelling, guided reading and mental maths including Timestable Rockstars (Yrs 2-4)

Speech and Language specialist in school weekly to work with individuals/small groups.

Children to be able to use skills from each topic to enhance their writing during the next topic.

Whole school initiatives such as No Nonsense Spelling evident in children's work.

To further enhance the role of the Governing Body in school with Middle Leaders and with Parents/Carers.

To work on joint projects with our partnership schools

To ensure all children have a good level of attendance.

To further improve the attendance of all children and to further reduce the gap between groups such as boy/girl/FSM/SEN/EAL to be in line with the whole school of 95.5+%.

To further develop the % of children achieving age related expectations in Maths & English at the end of the academic year.

To have a fun and happy year for all involved with Tenacres.

To sustain/improve the % children reaching 'Greater Depth' in English and Maths.

Continue to offer enhanced provision i.e. Family Support Worker/Speech Specialist.

To enhance and consolidate Numicon (Maths) across the school. Ensure interventions such as Breaking Barriers are embedded and effective for our children.

All revised statutory Safeguarding policies and procedures embedded throughout Tenacres.

To ensure the curriculum remains 'broad and balanced' across the school for all children.

Governing Body voice in the newsletter

Family Support Worker available every Thursday for Parents/Carer drop ins.

Each year we have priorities to further enhance aspects of the curriculum and the wider provision at Tenacres. Here are a few of our priorities this academic year.
