

Pupil's Survey – January 2015

We value our children's views and thoughts at Tenacres. In addition to their 'suggestion box' located in the school Library and our Student Council we asked them to complete a survey . This enables us to see what is important to them and if there are any areas we could further improve.

Please see below for a copy of the survey after reading some of the children's feedback and thoughts.

Thoughts and comments about Tenacres:

"School is fun, especially the special activities we do and the funny teachers"

"This school is a great place to go"

"The topics are fun"

"Tenacres is a safe and lovely place to be "

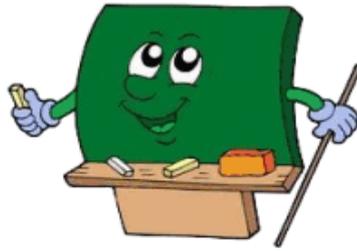

"I enjoy myself"

"School really makes me happy"

"School is fun and a great place to learn - it is good to learn"

Ideas and Suggestions (with actions taken)

- *We would like more equipment at Playtimes - the Year 2 children selected a range of play equipment for the school.*
- *We could have monitors that help out at playtimes - the Helpful Heroes programme is now up and running and is proving popular with our heroes and the children across the school.*
- *We should have cheese and beans with our jacket potatoes at lunch time and have wraps - we spoke to our caterers who now provided these options as part of their rolling programme of menu choices.*
- *Class 4W wanted a curtain due to the open plan layout - the classroom now has a curtain!*
