Writing Robot poetry

P.E.:  
Dance  
Bat and Ball skills

Positional and directional language using Beebots.

Create a computer program.

Robot artwork in the style of Eric Joyner.

### How you can help your child at home:

- Share their reading book regularly; develop comprehension skills - ask questions, children locate answers and justify reasons.
- Ask your child to identify nouns, adjectives and verbs in their reading.
- When it is dinner time/ bed time etc., ask your child what the time is using an analogue clock.
