| Thursday 19 th | Year 4 | Leavers Disco : 4.30 - 6pm * |
| Friday 20 th | | Break up |

* More details to follow

Our congratulations go to our three Wedding Belles; Mrs Froggatt (neé Wells); Mrs Dobson (neé Russell) and Mrs Mason (neé Mason!). They all had lovely wedding days and we wish them happiness in their married lives.

We will all be sad to see Mrs Dobson leave Tenacres at the end of this term as she and her husband are relocating to Cyprus. We thank her for her valued contribution, particularly with leading our wonderful choir and wish her luck and happiness in her new life.

We are welcoming two new teachers in September; Mr Durnall whose specialisms are English and outdoor learning and Miss Longfils whose specialises in music and performing arts.

We will also be welcoming back Mrs Hirst who returns from maternity leave in September.

We will be sending letters home on Friday 6th July to let you know which class your child will be moving to in September and who their teacher will be.

Due to current and forecasted weather conditions and our soggy field, we are mindful that sports days due to take place next week may need to be re-scheduled. If this is the case, we will let you know as soon as we can via text message.

We are currently working towards ECO Schools Green Flag status and are very keen to develop an allotment area in school. We would very much welcome any help and expertise from parents, grandparents or other friends of Tenacres. If you or anyone you know could help please see Miss Taylor in Reception. Thank you.

Thank you to those who joined in our ECO Code competition. Congratulations to the winners whose slogans will be on display on our ECO board in the library.

The 'Big Dance' which staff and children took part in a few weeks ago was a big success and enjoyed by all. Our contribution was documented and submitted to be added to the Guinness world record.

We love our new outdoor shelter (at the bottom of key stage 1 playground) which year 1 children helped to build with teacher Bob Green. It will be well used for Forest School classes including bird watching and as a teaching base.

We enjoyed celebrating the Diamond Jubilee before half term with our big read and stamp design competitions, whole school picnic and Tenacres celebratory book marks for all children.

Well done to pupils who completed our 'walk to school' week. We like to encourage walking to promote good health and exercise and help towards our ECO Schools status.

Year 1 and 2 pupils enjoyed learning how to play steel drums earlier this week. We were very impressed by the talented musician who led the workshops.

Our TAPA School Fete is on Saturday 7th July, starting at 1pm. Please come along and support this popular event and let Miss Shillaker know if you are able to help on the day. We would also appreciate any raffle/tombola prizes you are willing to donate. TAPA are meeting on Monday (25th June).

Please make sure you send any class photo orders in by Wednesday (27th June). Any late orders must be sent directly to PSP (details on order envelope) and carry a £6 surcharge.

Uniform orders for our new supplier, Coloursource, should now be placed on a Thursday after school by calling in to the school hall.
