

EYFS Number Policy

Early Learning Goals

- Count reliably with numbers from 1 to 20.
- Place numbers 1 to 20 in order.
- Say which number is one more or one less than a given number.
- Using quantities and objects they add 2 single digit numbers by counting on..
- Using quantities and objects they subtract 2 single digit numbers by counting back.
- Solve problems, including doubling and halving and sharing.

Counting

- Saying numbers to 20 and recognising digits

- 1 to 1 counting of a given set.

- Selecting correct amount from a larger group.

"Can you get 5 bears out of the basket?"

Multiplication

- Practical activities

"3 apples for you, 3 apples for me. How many altogether?"

Addition

- Adding two groups and counting how many altogether

- Counting on- adding from the biggest number.
 $6 + 4$ "Put your finger on 6 and count on 4 more."

Subtraction

- Take away by removing amount and counting how many are left.

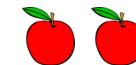

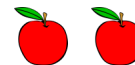

- Number line- taking away by counting back.
 $10 - 6$ "Put your finger on 10 and count back 6."

Division

- Practical activities

"Let's share these apples between you and me. One for you, one for me"
