

**Tenacres
First
School
2021-22**

**This year we
are focusing on -**

To further
enhance
Phonics and
reading
provision.

Re-establish
expectations
including the
core skills/
Fundamentals.

To
ensure children
achieve their
potential following
the deficits in
learning from
repeated
lockdowns.

To further enhance the
depth and breadth of
our curriculum and the
experiences children have.

Maths-To further enhance
and develop problem solving
including making it
accessible to the lower
attainers.

To further embed mastery in
Maths across the school using the
5 big ideas,

Monitoring and evaluation of curriculum
provision to ensure gaps in knowledge from
the periods of disrupted learning are
effectively planned for.

Celebrate the
values we hold
and share at
Tenacres.

Fundamentals-
including
handwriting,
and
presentation

To encourage
all children to
read at home
including
Phonic Bug
Club.

Implement the
revised EYFS
curriculum and
expectations
for our Early
Years provision

Focused
targeted
interventions to
address gaps in
learners
knowledge.

Continue to
encourage
our children
to be
resilient
learners.

Systematic
Phonics
teaching and
ensuring
reading
books are
matched to
the phonic
sounds
children are
learning.

Children to use
their Maths
skills in problem
solving activities.

Continue to use
the views of
Parents/Carers to
further enhance
provision at
Tenacres.

To ensure children
build on previous
learning to further
develop their
knowledge - 'know
more, remember
more and do more'.

*To ensure all learners have good
attendance and maintain whole school
attendance to at least 95%+.*

Each year we have priorities to further enhance aspects of the curriculum and the wider provision at Tenacres. Here are a some of our priorities this academic year.
