

What do you feel works really well at Tenacres?

The children are given a sense of independence.
Broad curriculum is fantastic.
My child always comes home happy and excited to share.
Communication and care from the teachers.
Relationships between students and teachers in each class and the school is outstanding.
Parent Pay-fab way to order lunches.
Interactive learning process
Friendly approachable teachers.
Separate Reception area.
Communication with teachers is excellent.
My child is enjoying learning, she learns a lot each day.
Teachers are so understanding to children's needs.
The teaching is so well done my son has come on in leaps and bounds.

Everything!
It is a lovely school.
Ultimately the children come first -who can complain about that!
Great interactive, hands on learning.
Cater for different learning styles.

How have you found communication i.e. website, school blog, text messages and the Home/School Diary?

We've been so impressed with the wide range of communication.
We always feel so well informed.
I'm impressed with the app and website.
Communications are very helpful.
Very informative.
Great detail and standard.
Excellent.
Home School Diary is excellent.
Appreciate the texts.

Any suggestions?

Keep doing what you are doing!
None we are very happy with the school.
Year group on text messages if specific to a Year group especially if you have more than one child at the school.
Love the staggered starts times and how this is

Any comments?

Shout out to the Reception team for being amazing.
Thank you for your hard work.
Thank you to all the teachers and staff for supporting the children and parents at such a difficult time-you're all awesome!
My child has settled in well and there is such a lot in the Learning Journeys-he also loves it when he receives stickers.
Really happy I am informed of any First Aid received.

How did you and your child find the Induction process?

We really appreciated the gradual progression from the Parent and Child sessions to going all day by themselves.
Our child felt relaxed and comfortable.
Very smooth, friendly approach.
I am happy with all.
We understand due to COVID it needed to be done this way but felt it was a little longer but completely understand the reasons.
My child enjoyed it so much and couldn't wait to start full time.

Next steps:

Year Group to be specified on text messages— although many messages apply to all the Year Groups.
Transition 2021—we had to be mindful of the amount of Pre-School/Nursery children had missed. Next years arrangements will be based on all including COVID restrictions.
Parent Pay—the providers are working to fix any glitches.
Staggered start times-these are planned to continue for the foreseeable future.
