

Sport Premium funding – Evidencing the Impact

Tenacres First School

Academic year: 2017/2018	Total funding: £18,340			
Key Outcomes	Actions	Funding allocated/ spent	Evidence/Impact	Next steps/Sustainability
Specialist Football coach (Mini-Kickers) to plan, teach and assess alongside less experienced staff, developing skills and pedagogy across the school. Dance workshops – cross curricular with English to increase engagement and participation in PE lessons. To promote sports clubs out of school. Enrichment opportunities; Year 4 - Bikeability	 Increased confidence of non-specialist staff. Improved knowledge, skills and pedagogy of non-specialist staff. Increased engagement in PE lessons Improved quality of provision through PE lessons Increased uptake for clubs and a range offered Whole school World Cup football day. Cycle training programme. Gaining practical skills and understanding how to cycle on today's roads. Giving the skills and confidence for all kinds of cycling.	£3,908	 Increased pupil participation (all children had the opportunity to work with specialist coaches in football and dance activities). Enhanced quality of teaching Increased confidence and competence of staff to deliver PE curriculum. Teachers learnt new ways to deliver activities. They were able to assess children's skills and progress more easily. (Feedback from staff) ? Feedback from children – all positive. They enjoyed having the coaches and the lessons were fun. Every child in the school took part in a football tournament for our World Cup Mix up day. Children took up dance and football clubs afterschool. Year 4 children who participated in Bikeability learnt new cycling skills and confidence. 	 Teachers to continue teaching their own lessons, using what they have learnt over the last few years. Teachers to follow the new schemes of work available to access in order to aid in the delivery of PE. (saved on shared drive). More staff planning and delivering their own PE activities. Next steps: focus on mental health - sports activities to help these children. Next step: lesson observations of teaching staff. Next steps: to target the 'harder to reach children' who are unable to stay for after school clubs – offer some lunchtime clubs. Next steps: continue to offer a range of teaching opportunities.
CPD:	 Mental Health training – including Nurture, advanced knowledge, e- learning, Lego therapy etc. Youth Sport Trust membership 	£1,896 £50	Teachers/TAs trained in a variety of areas to help support children with social, health and mental issues.	Next steps: Focus on children who are experiencing Mental Health issues and provide extra provision – lunchtime clubs, small group activities.

Purchase of educational sports equipment PE-Equipment/ Outdoor Play equipment inspection and repairs	 Purchase of educational sports equipment for all children to use including footballs, balls, hoops, scoop sets, bean bags, quoits, stilts, skipping ropes, motivational sports stickers etc. Inspection repairs and maintenance of PE equipment. Providing play equipment to enhance children's physical activity. 	£589	 Increased/updated resources in school stock. Increased participation in activities – more equipment available. Stickers used for sports day and motivational reasons. Children love them. Equipment passed the safety checks Children provided with new equipment – encouraging children to be active during the day. 	Next steps: Continued monitoring of equipment and resources, replacements ordered when needed.
Participation and success in competitive school sports Healthy living	 Children to participate in festivals and tournaments across the community. Transport costs Stickers and rewards The Walking to School initiative to be rolled out across the whole school to encourage healthy lifestyles for all the family. Forest School – equipment 	£65 £50	 More festivals attended – all stars football, dance, cross-country etc. Minibus and coaches used. Links with our partnership schools – football tournament (we won!!) Badges, stickers and activity packs for all children. Prizes for the class who walked the most. All children in the school accessed forest school and SEN children – extra provision 	Next steps: Continue participating in competitive sports through next academic year.
	Water bottles /coolers	£1,364 £1,224	 Every child in the school given a water bottle which children have access to at all times during the day – and filled up at the cooler points. Children are involved with caring for our school chickens, cleaning, 	Continue with this next year.
	School chickens	£443	feeding and collecting their Eggs. They also provide an understanding of life cycles, which is part of the science curriculum.	Not at Tenacres anymore

Swimming for KS 2 children	The National curriculum states that all children need to be able to swim 25m by the end of year 6. All children in year 3 and year 4 will be given 10 swimming lessons.	£3,591	 As middle schools do not take the children swimming we need to offer as part of our PE curriculum. A lot of our children do not have swimming lessons out of school so we have a lot of non-swimmers. By the end of year 4 after 20 sessions 	Continue with this each year
			the number of non-swimmers decreased dramatically.
